Presidents Letter

Thank you to all the members that made it to the January meeting, and thank you to Carl Mauritz for his presentation on Geodes. The February meeting will be back to the 1st Saturday of the month. Dean Race will be the guest speaker and he will talk about his gold mining business in Chicken Alaska where he offers a once in a lifetime mining adventure. Check out Dean's website at: goldfeverprospecting.net

The Food Donations that the club members bring in for the meetings are truly welcomed. The Community Outreach Officer, Ken House, has received a number of thank you notes for the various places that have received the food items. Peggy Gremler, the club's Historian Officer, has these letters on file for anyone who would like to read them. Thank you to all the members for all your donations.

Remember that there will be no club meeting for the month of March. Most of the officers will be at Klondike Days in Eagle River Wisconsin demonstrating gold panning and promoting our club. If you go, be sure to stop by the clubs demonstration area. You might want to get your hands wet and try some gold panning or do some demonstrating. For more information on Klondike Days and ticket prices, visit the website at: klondikedays.org

The GPAA has once again started publishing the Pick & Shovel Gazette which will be mailed out to GPAA, LDMA, and Gold Life Members every other month starting with the first issue that came out in December 2010. It has a whole new look to it. A job well done to the GPAA.

The Outings for 2011 are being planned and for the most part, finished. I look forward to another Season of prospecting with my fellow prospectors.

Kurt

Secretary's Report

61 members were present for the January 8th Meeting.

Vice President Dennis Laubenstein presided over the meeting in the absence of our club President Kurt Publitz. The pledge of allegiance to the Flag was given. Reports were made and accepted by the various officers present.

A wonderful presentation on Geodes was made by Carl Mauritz and handouts were passed out on Keokuk Geode Collecting. Randy Mauritz gave demonstrations on geode cracking. It was very interesting and informative. Thanks a lot guys. I think that I am going to have to go and find some of those for myself.

Dean Race will be at the next meeting and I can't help but be reminded of all the wonderful memories of our Alaska adventure from last year to Dean's Camp. For those who are thinking of making that trip – it's my opinion that 2011 will be an awesome year for prospecting on the 40 mile after all the flooding that occurred in 2010 – I'll bet the Gold is just piled up in that river right now, and I give my personal recommendation to the hospitality of Dean and his family.
