Presidents Letter

The Parrish Outing was a big success. There were over 40 members on Saturday enjoying the day Prospecting and Metal Detecting. A big Thank You to all the prospectors that made this event the success it was. One member is missing his 14” Green GPAA gold pan after the clean-up. If you have a well used Gold Pan in your inventory that you didn't have before the Outing it is probably his. Please let me know so it can be returned. Thanks.

Next we have the Portland Lease Outing at the Sebewa Sand & Gravel Pit near Portland Michigan during the Memorial Day Weekend (May 28th through May 31st). I am really looking forward to this one as you can use up to a 4” dredge and you can use your Highbanker as well. Reports of finding gold, diamonds, and fossils have been reported. Remember to keep your trash picked up and if a dumpster is not provided for trash then take the trash out with you when you leave. If you don't have a flier on this Outing you can print one off at the wausauprospectors.com Website on the Events page.

The Tomah Chapter of the GPAA is having their annual Outing/Picnic June 5th and 6th at Nugget Lake near Plum City Wisconsin with the cookout and raffles taking place around 1p.m. on Saturday at the shelter by the lake. The GPAA Chapters are invited to this event. Bring a dish to pass. You can pan and sluice in the creek.

Just a few words here on the Gold Prospectors Association of America (GPAA). The GPAA has become the world's largest prospecting organization. To be a member of the GPAA requires a yearly paid membership or membership in the Gold Life or the Lost Dutchman's Mining Association (LDMA). Membership brings with it the GPAA Mining Guide which provides numerous claims for GPAA members to prospect on such as the Portland Lease in Michigan. The LDMA has many properties to prospect on for just those members as well as the GPAA claims

The Wausau Prospectors (a GPAA Chapter) does not require members to be GPAA members but if you are not a GPAA member the only time you can go on GPAA Claims is when we have our Outing at one of those places. The GPAA hopes that by allowing non GPAA members to go on the Outings that you will become a GPAA or LDMA member.

Ok prospectors, let's get out and find some gold.... **Kurt**

At the "Springtime in Parish Outing" on May 1st & 2nd. 46 people participated in the common dig, everyone took home a pail of concentrates.

13 people participated in the metal detecting hunt. A good time was had by all.

People were coming and going, we estimated a total of 56 people for the weekend.
